

Bob's Best Berners

"Each of Bob's cartoons is an affectionate tribute to the Berners' unconditional love of their human life-mates. Bob's art is as much about the Bernese, as it is about humans..." - Dr. Bernd Guenter

Bob Seaver, along with his wife Linda and son Greg, has shared his life with a succession of beloved Bernese since 1980. Fondly dedicated to all their Berners, Bob's cartoons have appeared regularly in the "Alpenhorn," official publication of the BMDCA, for many years.

BGF20089901 Bob's Best Berners \$10.00

The Berner-Garde Foundation is proud to be working with the BMDCA to support research to advance the health of Bernese Mountain Dogs.

All proceeds from the sale of these two items go to the BMDCA Health Fund which was established over ten years ago to support research into diseases that affect the quality and longevity of the Bernese Mountain Dog. The BMDCA works with both the American Kennel Club Canine Health Foundation and the Morris Animal Foundation to fund high quality scientific research. The BMDCA Health Fund has funded or is funding research into elbow dysplasia, canine DNA markers, lymphoma, osteosarcoma, malignant histiocytosis, soft tissue sarcomas and mast cell tumors. Over the last seven years, the BMDCA Health Fund has donated over \$110,000 to this important research. Proceeds from the sale of these calendars will support the research that is so important for the lives of current and future Bernese Mountain Dogs.
